SAFETY

No matter the industry, whether you're in Construction, Manufacturing or Hospitality - Altitude Workwear has been designed with a primary focus on safety.

DURABILITY

Technological advancements in the manufacturing process, have allowed us to select the right technical fabrics for all our garments – ensuring improved functionality, performance and durability.

RELIABILITY

Finding and investing in the right Workwear solution is essential for any industry, not only to provide your staff with dependable everyday gear to get the job done, but to save costs in the long run. Altitude Workwear has been designed with reliability in mind.

BRANDING OPTIONS

Once you've found the right Workwear solution, it's time to put your mark on it. Branding your Workwear with your company logo is a fantastic way to build brand awareness and will assist you in creating clear identification and meeting compliance requirements on any site you visit.

EMBROIDERY

Embroidery is the art of decorating fabric with designs stitched in strands of thread. Embroidery machines are driven by computers that read digitised Embroidery files created by special software.

SCREEN PRINTING

Screen Printing is the process whereby a logo is transferred onto a garment via a mesh screen. This method provides excellent coverage and is especially good for large and bold logos. Colours are printed one at a time so accurate registration is essential.

DIGITAL TRANSFER ON CLOTHING

Digital Transfer on Clothing is a process by which a digital image is printed onto specialised transfer paper. The transfer is then applied to the garment using a heat press process. Specialised digital printing machines use liquid ink instead of toner ink to ensure long-lasting flexibility and durability of your logo.

DISCLAIMERS & INFORMATION

Colours of actual products may vary slightly from the printed colours shown. Please request a sample for accurate colour-checking purposes.

All product sizes have been indicated in centimetres. Sizes may vary slightly from those provided.

Product images may vary slightly from actual products due to inherent limitations in photography, film separation and printing.

We have endeavoured to ensure that the details provided in the catalogue are accurate, however, due to the volume of information, mistakes might have crept in. Should you have questions or uncertainties regarding information or products in the catalogue, please liaise with your Account Manager or view a sample for confirmation prior to placing your order. We cannot be held responsible for any mistakes made or costs incurred based on incorrect information displayed in this catalogue.

The artwork, designs and trademarks imprinted on the products displayed herein are reproduced only as examples of the type and quality of branded products available. They are not intended to represent that the products are either endorsed by or produced for the owners of the artwork, design or trademark. E&OE.

FEATURE ICON REFERENCE

100% Cotton

Extremely durable & comfortable. This natural fabric is hypoallergenic & breathable.

100% Polyester

Extremely durable & crease resistant. It's colourfast, quick drying & stain resistant. Easy to clean & maintain.

Polycotton

A low maintenance blend that is breathable, crease resistant & colourfast. It's less prone to piling & shrinking.

Acid Resistant & Flame Retardant

A chemically treated fabric that resists the corrosive effects of acids & alkalis, with the addition of flame retardants for protection against fire hazards.

Acid Resistant

A chemically treated fabric that resists the corrosive effects of acids & alkalis in high-risk working environments.

Flame Retardant

Chemically treated with flame retardants for protection against fire hazards.

Breathable

Allows air to pass through easily. Aids in moisture management, reduces sweat & keeps you cool.

Easy Care

Ideal for everyday wear. Requires low maintenance & is easy to clean & crease resistant.

CE Certified

Manufactured in compliance with health, safety & environmental protection standards.

NRCS Approved

Approved by the National Regulator For Compulsory Specifications.

SABS Approved

Meets the highest standards for quality, safety & reliability.

Day / Night Visibility

A combination of high visibility fabrics that are effective in low light conditions during the day & at night.

Reflective

Premium quality reflective tape is applied for increased visibility in high-risk environments, at night & in poor light conditions.

Heat Resistant 90°C

Offers protective thermal insulation in environments with temperatures as high as 90°C.

Temperature -5°C

Offers protective thermal insulation in environments with temperatures as low as -5°C.

Temperature -15°C

Offers protective thermal insulation in environments with temperatures as low as -15°C.

Locally Manufactured

Proudly manufactured in South Africa.

Manufactured in the SADC Region

Manufactured in the Southern African Development Community (SADC). Increasing economic development & growth in 16 countries in SA.

Oil Resistant

Treated to resist the corrosive effects caused by oil & other oil-based agents.

Slip Resistant

Designed with slip resistant properties. Tested & approved to meet the highest quality standards for safety, comfort & reliability.

Steel Toe Cap

Reinforced with a steel toe cap, offering additional protection against foot related injuries in the workplace.

Women

Fit and style has been tailored for women.

Rainproof

Treated to repel & resist the penetration of water, even in the toughest wet weather conditions.

Waterproof

Fabric has been treated to resist the penetration of water.

Water Resistant

Fabric has been treated to repel & resist the penetration of water, however, is not 100% waterproof.

Windproof

Manufactured using a tightly woven fabric designed for insulation, warmth & comfort.

UV Protection

Manufactured with fabric rated for its high level of ultraviolet protection.

Taped Seams

Seams have been taped & heat sealed to enhance water-resistant properties.

Triple Stitched

Triple stitched at the seams for improved strength & durability.

Vented

Vented panels allow air to easily flow through the garment. Keeps you cool in high temperature environments.

YKK Zipper

World renowned for its reliability & durability.

Zip-Off Sleeves

A 2-in-1 garment with a design that features convenient zip-off sleeves.

Denim

Denim is a heavy-duty fabric that is made to last, crease resistant and easy to maintain. Denim is comfortable and breathable, providing you with protection against the elements year-round.

CONTI SUITS

Durable everyday Workwear, providing the performance and protection you need. Altitude Conti Suits are built to last.
