

A large banner featuring a vibrant tropical beach scene. In the foreground, two wooden lounge chairs with white cushions are positioned on a sandy beach. A large, thatched palm umbrella stands behind them. To the left, a tall palm tree trunk is visible. The background shows a clear blue sky with a few clouds and a turquoise ocean. A circular inset in the bottom right corner shows the Statue of Liberty and the New York City skyline.

BANNER WALLS

Bannerwalls provide a substantial amount of real estate to display your brand - this display solution was designed to create an impression and draw attention!

The scissor frame is made from sturdy aluminium extrusions and fitted with recycled, plastic interlocking connectors, making these displays lightweight and easy-to-assemble and collapse.

The crease-resistant skins easily attach to the frame with Velcro and can be collapsed on the frame for convenient storage.

The skins are made from Polyester Display Fabric, giving this display a soft, upmarket look and feel - Ideal for studios, photoshoots, interview backgrounds, entrances, brand launches, exhibitions, trade shows and events.
